

City of Raleigh Public Utilities Department
Resource Recovery Division
2017 Annual Stakeholder Meeting

The annual stakeholder meeting for the Public Utilities Resource Recovery Division will be held at **6:30 p.m. on Tuesday, November 7, 2017**, at the Neuse River Resource Recovery Facility, 8717 Battle Bridge Road, Raleigh, NC 27610.

A status update of the Wastewater Environmental Management System will be presented along with a draft of our program's objectives and targets for 2018 for your review and comments.

We will also provide updates on our wastewater master plan and our upcoming bioenergy project as well as information on a new wastewater collection line project known as the East Neuse Interceptor that is being planned for the area.

AGENDA

Introduction

Update on Wastewater Environmental Management System

Wastewater Master Plan

Bioenergy Project Overview

East Neuse Interceptor
